your studies, you will support us in projects and activities such as the following:

- Supporting the sales team in operational and strategic guidance and supervision of sales
  companies in Europe and overseas
- Generating market and competitor analyses, marketing plans, and sales network
  professionalization initiatives
- Contributing to future-oriented projects in areas such as digitalization and customer experience

Your Qualifications:

- Student of economics, industrial engineering, or comparable field with a focus on marketing,
sales, international management, or corporate planning
- Ideally has initial practical experience in sales or sales of industrial components
- Solid MS Office skills
- Very good command of English and German
- Strong team and communication skills
- Independent, structured, and analytical approach to work

Start: flexible
Duration: unlimited

In addition to a fair payment, accommodation in our company apartment is a given.
